Hello, Cheranne! Can you let me know if you received my earlier email? Appa=
rently I wound up in email jail without realizing today ... and sent dozens=
 of emails thinking they were being "SENT" and finding out later that they =
were stuck in the OUT Box. Now I cannot be sure which ones actually went th=
rough. And wanted to make sure that yours did!

Thanks,

Melissa

Thanks so much, Cheranne! I appreciate your prompt response ... So glad to =
hear that you have completed the paperwork for membership with the Advisory=
 Council.

Actually I did not mean to suggest agenda item for the January BoP meeting =
(though maybe will after discussion with Ben), but rather a discussion with=
 Ben K., as incoming executive director, regarding an issue that we are wor=
king on with regard to naloxone and hope to hear from him to inform our nex=
t steps and strategy ...

Ben, I will email you under separate cover and we can put ourselves togethe=
r for a quick conference call as your schedule allows?

Thanks you so much,

Melissa

Hi Melissa!

Yes, it was nice to meet with you and Mike. Larry asked me to serve in his=
 place on the Prescription Drug Advisory Council (I applied earlier today).

Our new Executive Director is Ben Kesner. I'm cc'ing him regarding your re=
quest, if I understand correctly, to be contacted and possibly included on =
the Board's agenda for the upcoming meeting January 22-23, 2015. Please le=
t me know if this is incorrect, and if there's anything else I can do.

Thank you,

Cheranne

Hello, Cheranne! I think we met briefly after a Prescription Drug Advisory =
Council meeting recently ... and Larry Loring had reported to me that you w=
ould be serving as incoming Executive Director with his retirement in Decem=
ber. Can you confirm that you are serving in that position?

```
We have an issue to discuss regarding naloxone storage (presented to the Bo=
ard back in October of 2014) ... the sooner the better due to tight timefra=

I look forward to hearing from you as soon as you are able!

Dear Colleagues,

The site of our meeting on Friday July 17 has changed.  The Urban Institute=
 is conducting a site visit to understand New Mexico's approach to preventi=
ng drug overdose.  Friday is the last day of their site visit - they are fl=
ying out of Santa Fe, and they're interested in attending the Council meeti=
ng.

The meeting will therefore be held in the Cabinet Room on the fourth floor =
```

of the Roundhouse at its usual time, 1:30 - 3:00 pm. Attached please find =
an agenda for the meeting, plus minutes of our meeting June 12. I look for=
ward to seeing you there.
